

24TH IDF DANCE WORLD CHAMPIONSHIP

in modern dance sport

IDF
INTERNATIONAL
DANCE
FEDERATION

ATTENTION!!!

This is not the running order of performances, but only a list of categories scheduled for each day. The sequence of categories will be published in the FINAL PROGRAMME.

At this stage, the categories are arranged in alphabetical order for easier reading and navigation. Dance styles are additionally highlighted with different colors to make them easier to identify.

IMPORTANT: regardless of any updates, categories will NOT be moved from one day to another.* This means that the category allocation shown in the PROVISIONAL PROGRAMME (version dated 16.04.2026) will remain unchanged in the FINAL PROGRAMME.

***EXCEPTION:** a category can only be moved to another day if all participants in that category agree to the change and if it does not affect the timing or create conflicts for dancers across stages.
